

DIAPER DRIVE: MARCH 1 – MARCH 31, 2015 CHANGING BABIES CHANGES LIVES!

KinderCare Learning Center will be hosting a diaper drive during the month of March to benefit the Twice As Nice Mother & Child Diaper Bank!

Why diapers???? Diapers are an ongoing and high priority need for many families, but especially for those that are experiencing financial hardship. Those families must often choose between buying diapers, paying bills or buying groceries. Over 36% of parents living in poverty routinely run out of diapers for their infants and toddlers—and safety net programs like food stamps and WIC do not cover diapers. Infants need 10-12 diapers per day and toddlers need 7-8 diapers per day. With a cost between \$100 and \$120 per month, diapers are an expense that many families struggle to afford.

That's where Twice As Nice Mother & Child steps in. Their diaper bank is able to help those families by providing them with disposable diapers at **no charge** so they can keep their children clean, healthy and dry. Their diaper bank distributed over 42,000 diapers in 2014, which was up over 50% versus 2013—and they are on track to double that this year! To date, they have distributed nearly 80,000 diapers to families in need in Lake County and the requests for help that they receive are increasing at a rapid rate.

YOU CAN HELP! Do you have extra diapers that your child has outgrown? Can you pick up an extra package or two when you do your regular diaper shopping? **The diaper sizes that are needed most are 3, 4 and 5.** Your donation will allow Twice As Nice Mother & Child to continue providing diapers to families that desperately need them.

Bring your diaper donations to our center and drop them in the donation boxes in the lobby! Donations will be accepted for the entire month of March!
